

New England Hillclimb Series

General Regulations Changes 2008

In order to submit or vote on a proposal that pertains to a NEHA rule, the person must be a member of KSCC, SCCNH or SCCV, must be of age to be a driver in a NEHA hillclimb as of the date of the rules meeting, and have participated at a hillclimb in the last three years, either as a worker or driver.

Technical committee: Greg Haley and David Patten resigned. Sherman Baumann and Rick Young voted in

Points Keeper: Kevin Gale now listed as points keeper. No change Kevin has been the NEHA points keeper for 10+ years but we now have a tech rule that refers to the points keeper so the person should be named.

Classifications Changes 2008

Street Prepared cars must now have operational bumpers, heater and dashboard.

Technical and Safety Changes 2008

Reserved numbers will expire (be removed from the reserved number list) if the driver is inactive (not driving or working) for two years. An inactive driver can pay \$10 per year to keep a number on the list.
